Investing for the future.

GA Engineering was recently voted 'Best Performing Business (under 25 employees) at this years 'Tayside Business Awards Ceremony'. Managing Director, Gordon Deuchars, commented, "The award demonstrates dynamism, commitment to growth and success in achieving planned objectives. We are constantly building for the future and have ambitious plans to increase our customer base, workforce and diversify into new markets".

"Our long-term aspirations are to break into the export market and to develop and manufacture our own product. I am also delighted to announce we have recently secured the services of Mr Willie Macaulay, as Sales and Marketing Manager. Willie has over 20 years experience in this field and is a welcome addition to our team".

“turning out quality”
